

Stainless Steel

DRAINAGE AND CIVIL

More than just drains.

WHY CHOOSE SSDC?

Stainless Steel Drainage & Civil are a leading supplier of Australian Made surface drainage products. We custom fabricate locally in South East Queensland to suit your project.

Family owned and based on the Sunshine Coast, we've been supplying the construction industry for over 15 years. Our products are made to withstand the Australian weather elements.

Our products are made from Marine Grade Stainless Steel. Made in Australia and Designed in Australia.

We offer a free site-measure service ensuring dimensions and design are correct prior to fabrication, we deliver direct to site expediting delivery and handling.

CUSTOM MADE IN AUSTRALIA TO SUIT YOUR PROJECT

We have a wide range of products to cater for all of your residential and commercial needs.

All products are certified and conform to the technical specifications for plumbing and drainage products.

We fabricate the only all Australian Made quick turnaround drain.

Stainless steel drainage and civil have developed a more cost effective threshold drain.
